

Erasmus Project 'Europe Includes You'

Erasmus+ 2017-1KA201-035788

Presentation of the project in brief

As the name of the project indicates, 'Europe includes you' deals with the main theme of wide-ranging inclusion, therefore inclusion intended not only at school but also at a social level.

This project stretches for three school years, that is from 17th December to 21st August 2020.

There are six countries participating in the project: Portugal with the AE Moure institute and Ribeira do Neiva representing the leading school of the project, Italy represented by our Monreale institute, Germany with the Elisabeth-Selbert-Gesamtschule, Macedonia with the Fondacija Agro Centar za Educacija FACE, Turkey with Bodrum Meleski ve Teknik Anadolu Lisesi, Romania with Colegiul National.

The project consisted of a series of mobility programmes whose participants were from time to time for each partner country two / three students and two teachers in the LTTA (Long Teaching Training Activities), i.e. teaching / learning and training activities (five days the duration of this mobility), while in the TPM (Transnational Project Meeting, meetings of a technical nature for guidelines and proposals on the work to be carried out in each country, local activities above all) of the two days the participants are only two teachers or coordinators only, according to the instructions of the Portuguese school leader managing the whole project.

Mobility with students included groupwork of mixed nationalities, workshops, group researches carried out with the guidance of teachers, then socialized to all participants in the project and other students from the host school, visits to local authorities, ONGS, and associations responsible for the reception and inclusion of immigrants, visit to the town hall to get information on social inclusion and to sensitize local authorities on the theme of the project.

In addition to the activities in the partner country, the coordinator of each country followed or organized local activities, activities related to the project proposed,

always attentive to the objective of inclusion, the material was shared with the other partner countries.

As for the 'Basile-D'aleo, the pupils were engaged in the preparation of the powerpoints and works to be presented on the opening day of the work in each mobility and in the participation in events focusing their attention on inclusion, both in English such as the National Conference (ISLA) held at the University of Palermo in November 2018 with the participation of European associations of various nationalities, the exhibition about emigration held at the Council Hall of the Municipality of Monreale (school year 2018 / 19 promoted and organized by Peppino Impastato Association), inclusive exhibition organized by the special needs teachers of our institute, 'Memory in History and in the Territory' under the patronage of the Municipality of Monreale and in collaboration with the Peppino Impastato Association, sports competitions, laboratory activities, documented from various files and powerpoint and sent periodically to the general coordinator project Paulo Antunes with a report.

The Europe 'Includes You' project is also present on the website www.europeincludesyou.com which records several thousand visits which witness the significance as well as the positive and interesting progress of the project still going on, whose completion is scheduled for 31 / 08/2020.
